2017 Notice of Race and Sailing Programme – Amendment Number 2017/06 – Shortening of Autumn Series (Dinghies)

Introduction

This amendment is to notify the shortening of the Autumn Dinghy Series by two races. This is because the Sailing Committee accepted a request to run a major external sailing event, after the publication of the 2017 sailing programme. This has the effect of reducing the total number of races from 16 to 14 for the Autumn Dinghy Series.
